HOW TO BAKE

- Refrigerate if not baked within one hour. Best used within 24 hours.
- Preheat oven to 425°. Use the center rack.
- Remove wrap and baking instructions. Bake one pizza at a time on the tray.
- Bake 12-18 minutes. Pizza is ready when the crust is golden brown and cheese melted. Add 10 minutes for crispy crust.

REHEAT

- Preheat oven to 400°
- Place leftover pizza on cookie sheet
- Bake 7-10 minutes for pizza.
- Let stand 5 minutes before serving.
