THERE IS A PLACE

BIG MEADOW GOLF COURSE HOLE BY HOLE DESCRIPTIONS

Hole 1 Par4 Black 385 Blue 363 White 343 Red 295

The opening hole is your first test for placing your tee shot in the middle of fairway. Avoid the left bunker for a short shot onto the green.

Hole 2 Par 4 Black 365 Blue 350 White 335 Red 295

Favor the left side to avoid the bunker on the right and for a better angle into a long green which narrows towards the back.

Hole 3 Par 5 Black 555 Blue 535 White 492 Red 479

A straight tee shot is a must. On the second shot, avoid the left fairway bunker 100 yards short of the green as the fairway narrows. Everyone hopes for a birdie here.

Hole 4 Par 3 Black 190 Blue 163 White 144 Red 124

A bit uphill and the wind is generally against you. Use a little extra club into this undulating green. Avoiding the bunkers is a must.

Hole 5 Par 4 Black 427 Blue 394 White 364 Red 336

What you see is what you get. The right fairway bunker is a good driving line. An accurate iron shot will leave you with a good chance for birdie.

Hole 6 Par 4 Black 439 Blue 403 White 383 Red 332

Tee shot is best placed between the bunker and trees on the right. Aim at the left side of the green on approach to avoid the bunker on the right. Be happy with a par on the demanding hole.

Hole 7 Par 5 Black 583 Blue 553 White 536 Red 489

Usually plays downwind. Long hitters can end up through the fairway on the right. Avoid the fairway bunker on the right for the second shot.

Hole 8 Par 3 Black 243 Blue 201 White 171 Red 131

This long par 3 has a large green surrounded by bunkers. Prevailing winds come from the right. A par is a good score.

Hole 9 Par 4 Black 396 Blue 375 White 340 Red 320

Uphill from tee to green, this dogleg right makes a sharp turn at near the tee shot landing area. The green is partially hidden from the fairway, with a deep bunker guarding the right entrance.

Front Par 36 Black 3583 Blue 3337 White 3108 Red 2801

-more-

Hole 10 Par 5 Black 535 Blue 517 White 481 Red 442

It is tempting to try to cut the corner, but often the risk is greater than the reward. The best line for you tee shot is at the fairway bunker. The second shot staying left of the fairway bunker is a must. This will leave you an easy wedge shot into a long, narrow green.

Hole 11 Par 4 Black 409 Blue 381 White 366 Red 335

A beautiful view of the three sisters distracts your drive. Avoiding the right fairway bunker is a must. This will leave you a mid iron shot into this green.

Hole 12 Par 4 Black 379 Blue 356 White 340 Red 121

The tee shot position is important for a second to the green. On the second shot, using an accurate long club is a must. Use a little more club up hill on approach. Toughest putting green on the course that slopes from back to front and in the middle.

Hole 13 Par 3 Black 185 Blue 156 White 137 Red 121

Take an extra club to reach this uphill green, which has two tiers and slopes back to front. Take the par and enjoy the view on the next tee.

Hole 14 Par 4 Black 401 Blue 382 White 346 Red 315

This is the signature hole for Big Meadow with a beautiful view of Three Finger Jack in the background. Avoid the three left bunkers! This will leave you with a short second shot into the green.

Hole 15 Par 4 Black 349 Blue 326 White 301 Red 264

An accurate tee shot onto the narrow fairway is a must to leave you with a short iron into this elevated green. After your drive, the real test is avoiding the three bunkers in front of the green. It might be our shortest, but could be our most challenging.

Hole 16 Par 5 Black 514 Blue 480 White 466 Red 422

Short double dogleg. Where shot position is critical. Drive down the middle toward the fairway bunker. Hit your second shot to the left to avoid bunker on right. Long hitters can get home.

Hole 17 Par 3 Black 234 Blue 211 White 175 Red 147

A good par three with bunkers left and right of the green. The wind is usually from the left. Make you par and head to the 18th hole.

Hole 18 Par 4 Black 413 Blue 392 White 366 Red 326

An excellent finishing hole. Long hitters must watch out for driving it too far left and finding the water hazard. The green is well bunkered. A par is a good score
