

HOW TO BAKE

PREP & BAKE

- Refrigerate if not baked within one hour. Best used within 24 hours.
- Preheat oven to 425°. Use the center oven rack.
- Remove wrap and baking instructions. Bake one pizza at a time on the provided pizza tray.
- Bake 12-18 minutes. Pizza is ready when the crust is golden brown and cheese melted. Add 10 minutes for crispy crust.

REHEAT

- Preheat oven to 400°
- Place leftover pizza on cookie sheet
- Bake 7-10 minutes for pizza.
- Let stand 5 minutes before serving.

HOW TO GRILL

PREHEAT GRILL

- **3 burners:** preheat 15 minutes at 425° - 450° using only outer burners.
- **2 burners:** preheat 15 minutes at 375° - 400° using both burners.
- Do not adjust temperature after preheating.

PREP & BAKE

- Remove wrapping, put pizza on center of clean grill. Close lid.
- Bake 20-30 minutes. Rotate every 10 minutes.
- Let stand 5 minutes, then cut and serve.

SAFETY

- Use oven mitts and long handled utensils.
- Outside use only - well ventilated area away from buildings
- Do not leave unattended
- Keep baking soda and fire extinguisher handy.
- Do not move a hot grill.
