DINING

THE LODGE RESTAURANT | 541.595.1260

The Lodge Restaurant offers a unique lakeside dining experience in the heart of the Ranch. Magical morning vistas and sunset views of Mt. Washington set the stage for exceptional cuisine of Chefs Dean Ecker and Adam Kapela. Their style reflects the Ranch heritage and authentic flavors of the Pacific Northwest. The farm-to-table menu features organic vegetables from Rainshadow Organics, Ranch-raised herbs and vegetables, regional seafood and Cedar River Farms USDA Prime and Choice Cuts of Beef. An award-winning wine list compliments the Northwest style dining experience. In a recent independent restaurant review by *The Bulletin*, the Bend-based daily newspaper, the restaurant was given “A” grades across the board for food, service, atmosphere and value. “Classic foods are given a new look with a perfect meeting of flavors and textures,” the reviewer wrote.
