AT BLACK BUTTE RANCH

# Welcome to The Lodge

## AT BLACK BUTTE RANCH

The Lodge is nestled in a grove of towering Ponderosa Pines with unparalleled panoramic views of the Three Sisters, Broken Top and Mount Washington.

Experience a seamless connection to the surrounding landscape while feeling the warmth radiate from the massive stone fireplaces, taking in the view, and partaking in an inspired meal in one of the new restaurants, bars, or event spaces.

## THE EVENT ROOM - PREMIER WEDDING AND EVENT SPACE

The Event Room takes advantage of all Black Butte Ranch has to offer with 3,000 square feet of private event space, supported by a dedicated catering kitchen and staff. As you enter The Event Room you will be met with an unobstructed panorama of the meadow, lake and mountains beyond. The space has the flexibility to accommodate events of varying sizes, with moveable walls that can transform the space as needed.

Even the most luxurious hotels don't compare with a stunning natural backdrop—and Black Butte Ranch offers the best. Take your wedding ceremony, social gathering or conference break to the lake's edge, sheltered by the classic Black Butte Ranch Aspen Grove, and extend your event outside onto the 2,000 square foot elevated deck.

Choose between an altar-like cluster of Aspen trees against the lake for your wedding ceremony, or the spectacular snow-capped Cascade Mountains glittering beyond.

### THE BOARD ROOM

The Board Room is equipped with state-of-the-art audio visual technology and seats up to 14 guests for your meeting. Connect with the outdoors on the private board room deck.

### THE PRIVATE DINING ROOM

Elevate your dining experience in the exclusive Private Dining Room, located on the top level of The Lodge. Floor to ceiling windows boast one-of-a-kind views of Mount Washington and Phalarope Lake.

Step out onto the private deck and enjoy the crisp air and the setting sun.
