Length: 9 miles (Out & Back)

Technical: Easy

RECOMMENDED RIDES

AROUND THE RANCH

GLAZE MEADOW LOOP

Time: 1 hour
Aerobic: Easy
Length: 4 miles

Good for: Family ride to Glaze Meadow Rec Center

This is a fun ride that can start and end at the Glaze Meadow Rec Center and takes you around the Glaze Meadow Golf Course. Various parts of the loop take you along Homestead Lake and Lupine Lake, great for wildlife viewing.

LODGE S BIG MEADOW LOOP

Time: 1 hour
Aerobic: Easy
Length: 3.5 miles

Good for: Wildlife viewing and view of Black Butte

A fun family ride that takes you from the Lodge, through Big Meadow, and back to the Lodge, with scenic stretches that include views of Black Butte, Mt. Washington and the Three Sisters. The ride through Big Meadow also provides the opportunity to enjoy the horses and cattle that are often grazing in the meadow.

PAULINA SPRINGS TRAIL

Access the trail to Paulina Springs from the Lodge -Big Meadow Loop. The path that goes through the meadow has a section that veers off to the south. If you follow this diversion you will have a thrilling ride over a wooden foot bridge and a stopover at Paulina Springs.

This is an actual spring where ice-cold water bubbles up and out of the ground (great for sticking your toes in on a hot day). Please respect the riparian area. This is a great adventure for the kids and it's only about a ¼ mile diversion off the Lodge-Big Meadow Loop.

BE SAFE & HAVE FUN!

- Bicycles (including <u>electric bicycles</u>), walkers, joggers, skaters, and personal mobility devices. must use the bike path only, **NOT** the roads. Nature trails are for foot traffic only.
- Electric bikes may be used <u>after</u> being registered with the Glaze Meadow Rental Shop.
- Helmets are required for anyone under age 16 on a bike, electric bike, Razer or rollerblades.
 Skateboards and electric one-wheels are not allowed anywhere on the Ranch.
 We strongly recommend ALL riders wear helmets.
- Keep to the right and ride single file. Use hand signals. Stop before crossing roads.
- Pedestrians have the right of way.
- Watch out for soft shoulders, sand, slippery pine needles, gravel or bumps from tree roots, slopes.
- Stay off of private property and fragile surfaces.
- Walk your bike in congested areas and buildings.
- Check brakes, reflectors and lights for safety.
- Ride defensively; watch out for others.

15 MPH SPEED LIMIT ON ALL BIKE PATHS
