THERE IS A PLACE

For years, Black Butte Ranch has been fortunate enough to enjoy some of the finest beer in the country, right here in Central Oregon. In honor of that, we have created a Golf Event showcasing our local brewers. Your team can compete for a trophy to display proudly for the next year as the best golfing brewery in Central Oregon.

Come out and enjoy two of our favorite things: golf and beer at this year's Fifth Annual Brewers Cup. Please bring a case of your finest Beer or Cider to show of to the other teams. See you all on the links.
