### EXERCISE CLASSES

#### CORE/HIPS/GLUTES/BACK/FOAM ROLLING

Fridays | 8:30am-9:30am | GMRC

Online registration required at

<https://shandrafit.punchpass.com>

Class starts with a soft foam roller to release muscle soreness, increase blood flow and increase mobility. Active stretching and mobility prep continue into the glute activation exercises. Feel the muscles working as you build muscular strength and endurance, build a better posture and improve your balance with exercises like bridges, clamshells, bird dogs, planks and shoulder strengthening. Exercises will be on the mat and standing for a full body workout. Class winds down with some more foam rolling and lovely stretches. Enjoy the group environment and have fun. This class is for all levels. \*Soft rollers and equipment will be provided. Please bring a yoga mat or towel and water.

#### MELT METHOD YOGA FOR GOLF AND BEYOND

Wednesdays | 4:30pm-5:30pm | GMRC

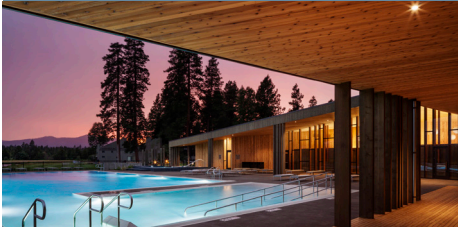

Online registration required at

<https://shandrafit.punchpass.com>

The MELT Method uses a soft foam roller to rehydrate the body's connective tissue system. It releases muscle soreness and tightness, increases blood flow, and helps to re-establish the brain to body connection by improving the fluid system of the connective tissue. Knots and adhesions in your CT can form from old injuries, new injuries, or even periods of being more sedentary. These adhesions can block the mind body connection and cause joints to have limited mobility, creating compromised movement patterns. This, together with gentle yoga movements, will help improve your golf mechanics and all other activities. \*Foam rollers are provided. Please bring an exercise mat or a towel.

-----------------------------	--

### DROP-IN PLAY GUIDELINES

Courts # 5 and # 6 will be for Recreational Players (3.0±) with less competitive emphasis.

Courts #8 will be for Beginners

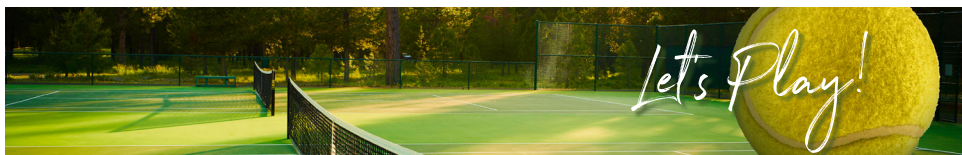

Courts #7, #9 & #10 Intermediate (3.5 >)

Courts #11 & #12 Advanced Play (4.0 >)

Players self-select their skill level. See "Pickleball Skills Levels" (on sandwich board) for a simple way to figure out your skill level.

A paddle holder will be provided for each designated area. Each court has a paddle rack system which determines order of play. Paddles furthest to the right are next up. When game concludes, the next player(s) rotate in. This system provides all players fair access to court time when it's crowded. When a game concludes (first team to 11, win by 2) the next player(s) with their paddles furthest to the right are up.

Drop-in players have priority for courts during drop-in sessions. However, other players may use empty courts until they are needed for drop-in play.
