### DROP-IN PLAY GUIDELINES

Courts # 5 and # 6 will be for Recreational Players (3.0±) with less competitive emphasis.

Courts #8 will be for Beginners

Courts #7, #9 & #10 Intermediate (3.5 >)

Courts #11 & #12 Advanced Play (4.0 >)

Players self-select their skill level. See "Pickleball Skills Levels" (on sandwich board) for a simple way to figure out your skill level.

A paddle holder will be provided for each designated area. Each court has a paddle rack system which determines order of play. Paddles furthest to the right are next up. When game concludes, the next player(s) rotate in. This system provides all players fair access to court time when it's crowded. When a game concludes (first team to 11, win by 2) the next player(s) with their paddles furthest to the right are up.

Drop-in players have priority for courts during drop-in sessions. However, other players may use empty courts until they are needed for drop-in play.
